RESPONSE

Sir:

In response to the Office Action mailed November 21, 2002 (the "Office Action"), applicants respectfully submit this response in order to request reconsideration of the rejections and objections contained therein.

REMARKS

Claims 1-13 are pending. The Examiner has rejected Claims 1-13 under 35 U.S.C. §112, first paragraph, asserting that the specification is not enabling because it "fails to describe regenerating the treatment material such that the hydrophobic substance is not freed therefrom. . . ." (See Office Action at page 2 (emphasis in original).)
